

Questions as of 17 March 2010

**Question 1:** Can you verify if there is a set-aside for this solicitation?

**Government Response:** There is no set-aside for this solicitation.

**Question 2:** FAR 52.212-4 Alt. I is included in the Clauses incorporated by Reference on page 24 of the RFP, however, FAR 52.212-4 is incorporated in the Clauses included in Full Text on page 42. Please advise of the appropriate clause to be included.

**Government Response:** We feel that both clauses are appropriate. 52.212-4 is included in full reference to provide guidance. 52.212-4 Alt I provides substitutes for paragraphs a, e, i, and l.

**Question 3:** Under 52.212-5 (42) on Page 50 of the RFP, item (3) 52.222-43 (FLS/SCA) is checked and in addition item (6) 52.222-53 (Exemption from..) is checked. It appears that 52.222-43 on page 24 and page 50 is not applicable. Please advise if FAR 52.222-43 is not applicable.

**Government Response:** Both references to FAR 52.222-43 have been removed from the RFP.

**Question 4:** FAR 52-219-9 is included in the Clauses incorporated by Reference on page 24 for the RFP, however, FAR 52-219-9 Alt II is checked under 52.212-5 on pages 47/48. Please advise of the appropriate clause to be included.

**Government Response:** FAR 52.219-9 has been removed from the Clauses Incorporated by Reference on page 24. It has been included by reference under 52.212-5. Both 52.219-9 and 52.219-9 Alt II are applicable and are now incorporated within 52.212-5.

**Question 5:** It appears that the "Past Performance Element" section of the form is repeated (Appendix B). Please advise if this should be removed.

**Government Response:** A revised Attachment B has been provided. The Past Performance Element section was repeated in the original attachment. Either copy will be accepted.
