Solicitation Number: W81XWH-11-T-0661
Notice Type: Presolicitation

Synopsis:

Added: Sep 16, 2011 4:57 pm

The U.S. Army Medical Research Acquisition Activity (USAMRAA) in support of the U.S. Army Surgeon General's Transcranial Doppler (TCD) Program which is managed by the Telemedicine and Advanced Technology Research Center (TATRC) at Fort Detrick, Maryland has a requirement for Doppler sonography equipment. This is a brand-name or equal solicitation for Doppler BoxX digital Doppler sonography system and peripheral equipment. All offerors are invited to provide technical specifications and characteristics of their product that meets or exceeds the salient characteristics provided in the solicitation. The solicitation will be available for review on or before 16 September March 2011. Please submit your documentation and your quote no later than close of business 23 September 2011 to Mr. Terry Bice at terry.g.bice@amedd.army.mil in accordance with the terms and conditions on the Standard Form 1449 posted on this website.
